Bachelor of Performing Arts (Majoring in Dance & Drama), NZAMD Solo Seal

A bundle of energy is the best way to describe me. My workshops are loud and energy + + +. By creating a hype in a controlled learning environment allows my students to dance to their full potential and express their love of dance and have fun. Don't be fooled by all my noise as my first priority is to ensure you will be learning up to the minute modern choreography and be taught how to deliver this in your performance with excellent execution whilst ensuring you are using the correct technique.

I have a love for all things dance but my passion lies in the Hip Hop/Street Dance Genre where I am a fulltime working Tutor and Choreographer for Neverland Studios in Auckland.

Some of my success to date:

- Hip Hop International - BEAST, BOSS, NVL NATION. 2017-2019 Regional & National Winners.
- World Supremacy Battlegrounds Competition – 2<sup>nd</sup> Place International 2018.

To be able to teach the best I have to learn from the best. I have had extensive training working with the likes of:

- Mari & Keone Madrid – Cookies Dance Crew, San Diego
- The Palace Dance Studio/Parris Goebel – Royal Family, Auckland
- Academy of Villians, Los Angeles
- Praise Team – Brotherhood, Canada

As an industry professional I have previously been in:

- Feature Movie Born to Dance – Dancer
- Television Commercials for: The Project, Vodafone, Sky Sport
- Television 1 Mini Series
- Corporate Dancer for Sky City Dance Team, Westfield

If I can get you vibing and laughing at my lame jokes then it's been a good class!
