

As a dancer & a tutor, I LOVE to watch & nature people to grow to their full potential no matter what that may be. Everyone is UNIQUE & that is what I find so exciting about my role.

I began my teaching journey 6 years ago. Teaching was the highlight of every week and my spark for dance continued to expand. Coming from a strong Street Dance background I have developed this into a career continuously growing my knowledge travelling regularly. Canada, Los Angeles, Singapore & Australia to name a few, to bring you all the latest moves, grooves & teaching ways to keep you inspired, excited, & wanting more. I have trained under Keone & Mari Madrid, The Academy of Villans, Praise Team & The Palace Dance Studio. My love for the Street Dance scene has lead me to teaching & mentoring my own crews for an Auckland based dance studio. Currently in contention to qualify for the world Hip Hop competitions in Arizona in 2018.

You may also see me occasionally on your TV screens at home with television commercials, TV series, or half time corporate entertainment for The Breakers, Warriors, or Silver Ferns.

I am honoured to be part of the teaching team for Dean McKerras & Dance NZ Made. I am excited to work with you all LESHHGOOOO!
