

Ruby Jamieson is both a dancer and a teacher with a never ending supply of energy. Her passion for dance began at a very young age. She joined Dean's teaching team 6 years ago, and has loved every minute of it since. Ruby loves dancing and teaching all genres of the art form, although her heart truly belongs with Hip Hop, Urban Tap, and Jazz Funk (commercial) culture.

Dancing with Dean has presented Ruby with many amazing opportunities over the years. Alongside other teachers, Ruby created the DanceNZmade Hip Hop Syllabus that her students have learnt, and will continue to learn, in class. Ruby has been representing DMSoD at dance competitions for many years, as she started as a young'n competing herself, and now helps add trophies to the studios growing collection, by choreographing solos/duos and group dances. She has also been fortunate enough to travel both nationally and internationally, attending dance workshops in places such as Los Angeles (twice), and Australia.

As a younger dancer, Ruby fell in love with watching musicals performed live. This encouraged her to successfully audition for many shows, including Hairspray, Mamma Mia, Cats, Rock of Ages and be a part of a local Burlesque company.

Ruby lives, loves and breathes dance. She aims for every student to learn and grow their dance skills in a fun and energetic environment. She pushes each dancer to be the best they can be, and always ensures they walk out with a smile on their face. Ruby just LOVES to dance, and she hopes that every dancer she's lucky to teach, LOVES it too!
