

Introducing the amazing @chantalpavlova to our...

“We Got ‘Cha”

Chantal was raised on the Kapiti Coast and trained in a number of genres, completing her final years in New Zealand at Chilton Dance Centre. In 2015 Chantal was accepted on scholarship to Ecole-Atelier Rudra Bejart in Switzerland where she studied ballet, Martha Graham modern technique, percussion, classical voice and Kendo. With the school, and the Bejart Ballet Company, she performed on stages around Western Europe before accepting a contract with Poznan Opera Ballet in Poland in her second year. Here she had the privilege of performing in Swan Lake, Romeo and Juliet, Cinderella, Serenade and having the role of ‘Kitty’s Mother’ created on her for a new production of Anna Karenina. Wanting a new challenge, Chantal began working with Remarc Agency in Greece in 2017 where she danced a range of styles in commercial shows in 5 star resorts across the islands. Falling in love with the job and the lifestyle, Chantal has continued to work the summer seasons in Greece, now as an entertainment manager; choreographing shows and directing sports, fitness and children’s programmes. In between seasons she enjoys returning home to New Zealand and coaching, taking workshops and adjudicating nation-wide. Chantal is thrilled to be a part of DanceNZMade events and share her love of dance with other passionate performers.
